O'Neill's Town Home has been the base for the Burren Painting Centre for the past 37 years. It is located in the centre of the Spa town of Lisdoonvarna in North Clare. Course participants and non-painters can book their accommodation at this well-established, approved B&B. The character and atmosphere of the old family home was retained during refurbishment. All bedrooms are en suite and the comfortable lounge has T.V, DVD and a wide selection of reading material.

The private car park is free for guests and is located at the rear of the house adjacent to the art studio. Critiques and demonstrations take place in the studio and students may use it to continue their own work. Tea and coffee making facilities are available throughout the day. Art materials are for sale and equipment is for hire each morning. The spectacular Cliffs of Moher, Galway Bay and the Burren are just minutes away. Visitor attractions offer a varied choice of caves, Birds of Prey Centre, craft shops, perfumery and gardens.

Each morning of the course, the students meet in the studio at 10am. Then the tutor and the group make their way to the painting site chosen for the day, with emphasis on painting "en plein air". Painters return to the studio by 5 p.m.

Beginners, improvers and experienced painters are all catered for by the helpful and friendly tutors at O'Neill's Burren Painting Centre. The number of painting participants in each group is limited to 15. Non-residents are also welcome to attend the painting courses.

Two Day Residential Painting Break in May. €205 Includes: 3 nights B&B, 1 Evening Meal, 2 days painting tuition, use of studio facilities, reference books, magazines and art instruction DVDs.
